AT LEAST 28 KILLED IN SHOE FACTORY FIRE IN CHINA

At least 28 people were killed in a fire at a shoe factory in southeastern China on Thursday, state-run Xinhua news agency reported, after flames engulfed the multi-storey building, trapping workers on the rooftop.

The fire broke out in the city of Jinjiang in Fujian province at footwear manufacturer Huiteng.

Firefighting and rescue efforts were still under way, although open flames had largely been extinguished as of 4 PM on Thursday. | via Reuters

‘LAHAT NG KUMOPYA DIYAN SA LIVE FEED… DUPLICATE NA 'YAN’

Dinepensahan ni Sen. Robin Padilla ang kaniyang naging pagtatanong sa Prosecution witness at National Bureau of Investigation (NBI) senior agent na si John Mark Calilung kaugnay ng orihinal na kopya ng video ni Vice Pres. Sara Duterte na may koneksyon sa pagtalakay sa fourth impeachment article.

“May built-in Zoom recording, ‘yan ang original copy na tinatawag, recorded ng kung sinuman ang nagsagawa ng Zoom meeting o interview,” saad ni Padilla sa isang post.

Giit niya, “duplicate” na lamang ang lahat ng kumopya mula sa live feed. Maaari din daw imanipula ang anumang nai-record bilang duplicate.

“[‘Yung] original recorded file ng gumawa ng Zoom meeting, ‘yun ang raw at siguradong walang manipulation. Doon ka dapat mag-authenticate, hindi sa kinuha mo lang sa internet. Trabaho ng investigator [na] hanapin ang raw o ang originally recorded ng creator ng meeting o ng interview.”

Ako ay 40 years na sa paggawa ng pelikula at telebisyon... Mula sa old school hanggang ngayon sa technology, isa lang ang laging source ng lahat ng copy — RAW file. The original. 'Yun ang laging basehan, hindi ang duplicate file.

Video shared on social media on Thursday (July 9) showed people trapped on a rooftop as flames ripped through a shoe factory in the Chinese city of Quanzhou.

At least 28 people were killed in a fire at the shoe factory in southeastern China on Thursday, state-run Xinhua news agency reported, after flames engulfed the multi-story building.

The fire broke out at around noon local time (0400 GMT) in the city of Jinjiang in Fujian province at footwear manufacturer Huiteng.

A total of 239 people were at the factory when the fire broke out, Xinhua said. It said 213 were evacuated, two of whom died after being taken to hospital for treatment. Another 26 people previously reported missing at the scene were confirmed dead.

Reuters could not confirm whether the people seen on the rooftop in the video were rescued.

TO: VICE PRESIDENTS

FROM: **ENGR. DANY C. MOLINA**
VICE PRESIDENT FOR ADMINISTRATION
NOTED: **ERNEST HOWARD B. DAGOHOY, DMIN**
PRESIDENT
DATE: JULY 9, 2026
SUBJECT: **CAMPUS WIDE AIR CONDITIONING UNITS (ACU) USAGE LIMITATIONS**

Our Electrical and Mechanical Systems (EMS) team is currently resolving the issues that caused yesterday's power disruption. Related to this and to prevent facility-wide power outages while long-term solutions are being put in place, we are implementing the following measures:

• ACU Limitations: ACU usage is temporarily restricted to offices, critical laboratories and Kindergarten, Elementary, Junior High School and Senior High School Buildings only.

• Load Profiling: To prevent this issue permanently, our EMS team is conducting comprehensive load profiling across our transformer banks. This data will be shared with MORE Power to design necessary permanent system upgrades.

We sincerely apologize for any inconvenience this may cause and kindly request your full cooperation. Please bear with us as we implement these critical infrastructure improvements.

For urgent concerns and updates, please contact the EMS Office at local 1034 and look for Engr. Ivan Legele Cachopero, EMS Supervisor.

Hindi nga video recorded ang online streaming video call platform ang pag babanta ni sara nakita ng buong mundo anong raw video piangsasabi mo? Bago ka dumakdak subukan mo makipag video call conference .at pag tapos tingnan mo sa phone mo kung may raw video ka !

#UPDATED: ANAY DEAN SANG ISA KA STATE UNIVERSITY, TRENDING BANGUD SA POST ANGUT SA 'PHOTOCOPY'?

Madamo ang nagkwestyon kag dismayado sa isa ka public post sang ginkilala nga anay dean sang isa ka state university sa Western Visayas.

Sa iya post, makita ang printer nga may P1,000 bill nga nakatungtong diri samtang may papel nga may print nga kwarta nga nagaguwa sa machine.

Nag-intriga pa ang caption sini nga "*GOOD NEWS*! *A photocopy is now considered as an original*". May sugpon pa ini nga nagakadlaw nga emoji.

Nagsugod ang paglapta sang memes ukon posts angut sa gina-photocopy nga kwarta matapos ang diskurso ni Atty. Amando Virgil Ligutan nga ginakonsiderar na ang photocopy nga orihinal, apang ang rules of evidence ang ginatumod sini samtang nagapatigayon sang impeachment trial batok kay Vice President Sara Duterte.

Suno sa mga nauna nga nag-comment kag share, wala nila ginlauman nga isa ka manunudlo sa pampubliko nga unibersidad ang mag-post sang konteksto nga i-photocopy ang kwarta bangud kaangay nga pareho na ini sa orihinal.

Sa pagpangusisa sang RMN News team, ginpanas na ang amo nga post apang madamo na ang naka-screenshot kag re-share sini sa social media.

Hello. I hope this gets approved.
Am I the only one who's annoyed at pages like this?
The first photo shows an AI girl introducing a classic commercial. But instead of Mo-DESS, "she" pronounces it as MO-dess. Then the 2nd photo is a snippet of the actual commercial that was put in some AI video frame.
The sad part is, pages like these NEVER EVER credit the original owner or uploader of the video.
They just wanna use the content they stole for nostalgia and "ooh and aah" from their followers.
Worse is that they use the "Batang 80s at 90s" brouhaha. Batang 90s din ako pero alam kong masama ang magnakaw

CUTE BUT INVASIVE 🐿️

A non-native squirrel species has been sighted in different parts of Metro Manila, prompting the Department of Environment and Natural Resources to remind the public that its presence is not being promoted.

The animal has been identified as Finlayson's squirrel, also known as the variable squirrel. While it may look harmless, the DENR said the species is not native to the Philippines and may compete with local wildlife if its population continues to grow.

The squirrel has been seen moving across trees, power lines, parks, campuses, and other urban spaces in Metro Manila.

Environmental experts warn that invasive species can affect local ecosystems by competing for food, space, and nesting sites. In some cases, they may also disturb native wildlife and create wider ecological concerns.

The public is encouraged not to feed, release, or encourage the spread of non-native wildlife. Sightings should be coordinated with proper authorities to support safe and science-based management.

Ang malagim na Calauan Massacre noong Hunyo 1993 ay isa sa mga pinakakontrobersyal at pinakamalupit na krimen sa kasaysayan ng Pilipinas. Ang mga biktimang sina Eileen Sarmenta at Allan Gomez ay mga inosenteng estudyante ng University of the Philippines Los Baños (UPLB). Dinukot sila ng mga armadong tauhan ni dating Mayor Antonio Sanchez ng Calauan, Laguna. Si Gomez ay walang-awang binugbog at binaril, habang si Sarmenta naman ay itinuring na 'regalo' sa alkalde. Matapos siyang gahasain ni Sanchez, siya ay ibinigay sa mga tauhan nito upang muling halayin bago tuluyang patayin. Naging mahirap ang pagkamit ng hustisya, ngunit noong taong 1999, nahatulan si Sanchez at kanyang mga tauhan ng pitong magkakasunod na reclusion perpetua o habambuhay na pagkakakulong para sa krimeng ito.

The impeachment trial of Philippine Vice President Sara Duterte began on Monday, in a politically charged case that many say could severely impact her plans to run for president in 2028. #dwnews

The opening of the trial saw a massive security operation, with over 6,000 officers deployed.
Hundreds of anti-Duterte demonstrators rallied outside.

Ousted Bangladeshi Prime Minister Sheikh Hasina has said she plans to return to Bangladesh from exile in India around December, despite facing a death sentence and the risk of arrest. In an interview with Reuters, the former premier said she and senior leaders of the banned Awami League would voluntarily surrender before the courts.

"They may arrest me... they may even kill me. Still, I have to go," Hasina said, adding that she wants to return to her homeland despite what she described as ongoing repression of her party leaders and supporters.

Walang kumalaban sa Iglesia Ni Cristo ang napabuti.

ABS CBN lamang ang nagpapatunay na lahat ng lumaban sa IGLESIA NI CRISTO ay nawawala.

1. Sinubukan ni Ramon Magsaysay na pabagsakin ang IGLESIA NI CRISTO sa paraang nagpasa siya ng batas sa Pilipinas na tanging katoliko lamang ang itinitirang relihiyon sa bansa ngunit lahat ng relihiyon gaya ng INC at protestante ay mawawala. Namatay si Ramon Magsaysay dahil sa plane crash.

2. Sinikap ni Corazon Aquino kasama ng paring si Jaime Cardinal Sin na pabagsakin ang INC sa paraang gustong kubkubin ang central at gawin itong bagong malacañang at ang templo ay pinagnanasahang gawing basilica. Namatay si Corazon Aquino sa sakit na colon cancer, gayundin namatay si Jaime Cardinal Sin dahil sa malalang sakit.

3. Habang pauwi galing sa taping ay nagpost ang direktor na si Wenn Deramas sa social media na may halong panlalait laban sa INC na kesyo nanaginip daw siya kagabi at ang napanaginipan niya ay umulan daw ng dinuguan at nagtakbuhan ang mga kapatid sa Iglesia. Namatay [illegible] sa sakit sa puso.

4. Nakipagtulungan si Leila de Lima sa mga natiwalag sa INC upang pabagsakin ang pamamahala ng Iglesia ni Cristo at ipakulong ito, ngunit sa kasamaang palad, si Leila de Lima po ang nakulong.

5. Sa layuning pabagsakin ang IGLESIA NI CRISTO, ay gumawa ng katha at bias na pagbabalita ang ABS CBN upang papaniwalain ang mga tao laban sa INC, sa kasamaang palad, nag shutdown ang ABS CBN.

'ILABAS NILA ANG LAHAT NG DOKUMENTO NILA'

Hinamon ni Sen. Erwin Tulfo si Atty. Levito Baligod maglabas ng ebidensya tungkol sa akusasyong tumanggap umano ang senador ng male-maletang pera o kickbacks mula sa flood control projects.

"Eh 'di dalhin niya sa korte. Eh 'di pumunta siya. 'Pag pinatawag siya ng fiscal sa trial, eh 'di lumutang siya. Ilabas lahat nila 'yung dokumento nila. I challenge them," saad ni Sen. Tulfo.

Naghain ang senador ng reklamong grave oral defamation laban kina Baligod, dating kongresistang si Mike Defensor, at iba pa ngayong Miyerkules, July 8.

A claim from social media is stirring debate again.

Posts shared on Chinese social media have been circulating the idea that Palawan was once part of China, calling it "Zheng He Island" after the Ming dynasty explorer Zheng He. Some of the posts even argued that the Philippine island should be "returned" to China, claiming Zheng He had discovered it centuries ago.

Philippine authorities have strongly pushed back against the narrative. The National Historical Commission of the Philippines (NHCP) said there is no historical or legal basis for those claims, emphasizing that Palawan has always been part of the Philippines. The agency also pointed out that simply visiting or exploring a place does not give a country ownership over it.

Historians also note that Palawan had already been inhabited for tens of thousands of years before Zheng He's voyages, much like the long-standing reminder that Christopher Columbus did not arrive in an empty America. The NHCP further clarified that the Chinese government itself has not made any official claim over Palawan.

Today, Palawan continues to be internationally

Jul 10, 2026 19:55:59

Today, Palawan continues to be internationally recognized as Philippine territory. It also raises an interesting question about the modern influence of historical narratives: when old voyages are used to support present-day arguments, where should we draw the line between history, misinformation, and national identity?

ANG BENEDICTINE CROSS AY
HINDI ISANG ANTING-ANTING

Ang Krus o Medalya ni San Benito ay hindi isang anting-anting o mahiwagang bagay na awtomatikong nagbibigay ng proteksiyon. Isa itong sakramento (sacramental) ng Simbahang Katolika na nag-aanyaya sa atin na higit na magtiwala sa kapangyarihan ng Diyos at mamuhay nang tapat sa pananampalataya.

Ang mga simbolo at panalanging nakaukit sa Benedictine Cross ay nagpapaalala sa atin ng tagumpay ni Kristo laban sa kasamaan at ng panawagan ni San Benito na talikuran ang tukso at piliin ang kabanalan. Ang tunay na kapangyarihan nito ay hindi nagmumula sa metal o sa mismong krus, kundi sa Diyos, na siyang ating pinagtitiwalaan at pinaglilingkuran.
